The undersigned representative respectfully requests that the Examiner consider on the merits all the documents listed in the enclosed modified Form PTO-1449 before issuing the first Office Action on the merits.

By submitting this Information Disclosure Statement (IDS), no representation is made that (i) a search has been performed to the extent of any search that may have been performed; (ii) more relevant information does not exist; (iii) the information is, or is considered to be material to patentability as defined in Rule 37 C.F.R. § 1.56(b); (iv) the information is prior art or otherwise relevant to the patentability of the claimed invention; (v) the order of presentation of the information is an indication of the importance of the information.
